PROJECTS

University of Maryland– Online Portfolio   **Jan. 2023 – Feb 2023**
College Park, MD
- Implemented HTML, CSS, JavaScript and APIs to code from scratch a responsive online portfolio to showcase my work.

University of Maryland– Laptop Searcher   **Dec 2022**
College Park, MD
- I created a python project using Object Oriented Programming that searches through a laptop database to provide personalized recommendations based on the user's specific needs and preferences.

PROFESSIONAL EXPERIENCE

Caly Floors and Services, LLC – Project Manager   **Sept. 2020 – June 2022**
Silver Spring, MD
- Visited potential new customers and took measurements to create an estimate for their new home remodeling project.
- Prepared customer estimates and communicated with material suppliers in the area to know current market pricing.
- I was in charge of receiving and sending payments from and for customers.
- Supervised active and completed jobsites to make sure that the client and the crew were satisfied with the projects.

LA Fitness– Front Desk   **Jan. 2020 – Sept. 2020**
Wheaton, MD
- Welcomed customers as they came in and made sure there were no issues with their membership.
- Made sure the clients were safe while they were at the club.
- Had the responsibility of opening in the early morning hours and closing in the late hours.
- I retrieved bills and memberships payments over the phone
